Tim,

A hardcopy of the signature copy of the agreement will be mailed to Mr. Meleen by certified mail very shortly.

However, it occurred to me that we could expedite Mr. Meleen's signature if I sent you a Word version of the agreement that he could print, sign, and mail back to me. Attached is the signature draft in Word. He can print out the signature page (page 10) and send only that page back to me, signed and dated of course. I'd insert that page into a hardcopy of the rest of the agreement and put the merged whole into final sign off over here. Please let me know if you think this is OK.

Also attached is a pdf of what's already in the mail. I would not advise signing a hardcopy of the pdf, as sometimes there are imperfections in a pdf copy.

You may notice a missing paragraph. Paragraphs 30 and 31 in the previous draft were the same, so I deleted paragraph 31 and renumbered from there. I didn't think you'd mind.

Best,

Kevin
